

《美国首只 " 机场辅助治疗猪 " 上岗 给旅客带去欢笑》

虽然猪不能飞上天、但却可以成为机场员工！一只名为LiLou的小猪，最近加入了美国旧金山国际机场的辅助治疗动物行列，开始了在机场带给旅客欢笑的工作。据报道，LiLou是美国第一头机场辅助治疗猪。

This little piggy is the first known airport therapy pig in the US, according to the San Francisco International Airport. Her name is LiLou.

????????????????LiLou????????????????

She "promises to surprise and delight guests with her winning personality, charming costumes and painted nails," the airport said in a statement.

????????????"LiLou????????????????????????????????

"We have more than 300 dog, cat and rabbit volunteer teams, but LiLou is the first pig in our program," Dr. Jennifer Henley, the SFSPCA's animal assisted therapy manager, said in the statement.
