

《还在摆放传统的圣诞树？快来试试圣诞“枕”、圣诞“书”和圣诞“》

还在往松树上挂铃铛？你out了！今年流行用鲜花、枕头甚至书来做“圣诞树”，一家商店甚至用芭蕾舞鞋堆出了圣诞树。这么多脑洞大开的创意，你准备好了吗？

They're Christmas trees, but not as you know them.

????????????????????

Fans of the festive season are looking for unique ways to decorate, ditching traditional pine trees in favour of towering piles of pillows, floral blooms and candles.

????????????????????“??”????????????????????

Here Femail has compiled a list of the quirkiest Christmas tree ideas this festive season - including a tree made entirely out of shoes.

Femail???????Femail????????????????????——????????????????

A rising trend this year has people ditching baubles in favour of floral blooms to decorate their tree.

????????????????????????????????????

Photos show trees topped with bouquets of flowers or scattered with large peonies.

????????????????????????????????????

A common theme has a trail of flowers wrapped diagonally around the tree, mimicking how tinsel would normally be displayed.

??

But depending on whether you use real or fake blooms will determine just how long you tree remains a centre

piece.

????????????????????

If you're more of a bookworm, this one's for you.

????????????????????

Another trend has people creating Christmas trees out of piles of books.

??“?”??????????????

While some people choose to simply stack the books on top of one another, others use a frame to give the structure more height.

????????????????????????????????

The tree is then covered with twinkling fairy lights for a festive touch.

“?”????????????????????????????

Others have chosen to create a Christmas tree made entirely out of pillows.

????????????????

The different structures vary in size, as people stack pillows on top of one another to create a tree shape.

??

But just how they stop them from toppling over is anyone's guess.

????????????????????????????????????

One Sydney store took Christmas to the next level by creating a tree made entirely out of ballet slippers.

??????????—??????????

Dance store Bloch created a beautiful tree using cream pointe shoes, finishing the look with a bright red pair on top.

?????????Bloch????????????????????????????????????

Another man took his passion for Star Wars to the next level by creating a Darth Vader themed tree.

????????????????????????•???Darth Vader??????????

The tree wore a black robe and held a lightsaber, a mask placed on top instead of an Angel.
