

《奇葩校规！福建高中禁止男女生一起走路、说话》

导读:中小学校往往为了防止学生谈恋爱而绞尽了脑汁，最近福建一所中学就出台了一些防止学生谈恋爱的奇葩校规，不准男女生一起走路，也不准男女生说话。

A high school in Fujian Province that has issued rules banning boys and girls from walking together or even chatting to each other has got netizens talking on social media.

??

According to authorities at Zuohai High School, a private institution in the city of Fuzhou, the new rules aim to keep students from developing romantic relationships.

????????????????????????????????????

The rules made the rounds on social media on Sunday.

????????????????

The headmaster of school, surnamed Lin, defended the strict conduct code, which he said are common at private schools.

????????????????

"Though the school rules are a little strict, our aim is to keep students safe," said Lin.

??????“????????????????????????????????”

He cited examples such as Hengshui Middle School of Hebei Province, known for its high scoring students and military-like management.

????????????????

Lin said his school's regulations have so far won support among parents.

????????????????

A ZHS student said it's reasonable for the school curb dating, but the rules go too far.
