

《与众不同！韩国精神病院突现名人雕像》

导读:近日,韩国一家精神病院的花园出现了许多名人雕像,据悉,这家精神病院的院长认为石头雕像可以激励病人和他们的家人,于是将雕像放在医院的花园。

Look familiar? No one would blame you if they didn't, but these are supposed to be sculptures of some of the world's most famous figures. The Great Stone Face Sculpture Park resides in a 20-acre garden on the grounds of a South Korean Mental Hospital.

Meant to resemble famous politicians, economists and revolutionaries, the sculptures are owned by Chung Guen-hee, of Eumseong, South Korea.

??

For some 20 years, Mr Chung has ordered 12-foot-high busts, which are meant to be a tribute to famous people from around the world, from a sculpting school he owns in China. He has them shipped to the grounds of a
