

## 《美食不可辜负！为吃肯德基，4岁男孩开玩具车行驶3公里》

导读:台湾的一个4岁的男孩，为了吃肯德基的薯条，竟独自开着玩具车在车流中行驶了3公里。

Police in Taiwan found a 4-year-old boy who drove 3 kilometers in city traffic in a motorized toy car on Tuesday.

????????4????????????????????3??

The boy told officers he was heading to McDonald's to buy some French fries.

????????????????????

Officers in the city of Tainan responded after the young boy was spotted driving a toy BMW around 8 am.

?????8????????????????????

Good Samaritans had stopped the boy, surnamed Lin, and waited for police to arrive.

????????????????????

Police took the boy to a local station just when the boy's parents arrived to report him missing.

????????????????????????????????

Lin's mother told officers she had woken up that day to find her son had disappeared.

????????????????????????????

Officers said Lin had driven a total 3 kilometers from his home and was heading to buy his favorite snack - McDonald's fries.

The boy was released into the custody of his grateful parents.

????????????????????????????

It was not reported if the boy had any money on him to pay for the fries.
