

《恐怖！猪肉夜里泛出蓝光 “ 荧光猪肉 ” 你见过吗？》

导读:据人民网爆料，四川绵阳一女士在集市购买了一些排骨，它们会在夜里自己泛出蓝光。目前，相关部门已就此事展开了调查。

A Chinese woman was shocked to see that the pork on her table shining an eerie blue glow in the dark.

????????????????????

The woman, from China's Sichuan province, saw the bizarre scene when she got up to go to the toilet in the early hours of December 25, reported the People's Daily Online.

????????????????????12?25????????????????????

She had bought the ribs two days before from a farmers' market, the report said.

????????????????????

According to the woman's daughter, surnamed Su, the ribs had been purchased on December 23 from a meat vendor on the second floor of the Zhuoxin farmers' market in Mianyang, Sichuan Province.

????????????12?23????????????????????

Ms Su said her mother had bought 5.5 pounds of pork ribs before marinating them with Sichuan pepper and salt at home.

During the day, her mother dried the ribs on the balcony; and after the night fell, she put them in a basket and left them in the kitchen.

????????????????????????????

During the wee hours of December 25, Ms Su's mother got up to go to the toilet and saw the ribs glowing blue in the dark.

?12?25????????????????????

Ms Su told a reporter from Dahe.cn: 'She saw the blue glow on the table. She was really scared.'

????????????"????????????????"

She said her mother immediately turned on the light and realised it was the pork which was shining in the dark.

????"????????????"

She contacted the meat seller, however the vendor denied that they had sold the fluorescent pork to her mother.

????????????????"???"?

This was not the first time glow-in-the-dark pork had been found in Mianyang city this month.

????????????

A similar incident happened on December 4, according to local media 'Eat, live, travel in Mianyang'.
