

《女子公交车上大声打电话遭殴打 半边头发被拽掉》

导读:近日，西安的杨女士可是碰上了霉运。由于在公交车上大声打电话她遭到一男一女殴打，更严重的是，她的半边头发都被拽掉了。

A woman was attacked and had her hair ripped out for talking too loudly on her phone on a bus in China.

????????????????????????????????

The woman was riding a bus in Xi'an, north-west China's Shaanxi province, when a male passenger and another woman punched her and pulled out her hair on January 3, reports the People's Daily Online.

???????123??

The woman says she was told by the two passengers that they thought she was speaking too loudly.

????????????????????????????????

The woman surnamed Yang told reporters: "He had two hands pulling my hair and dragged me to the ground. He even kicked and beat me and pulled my hair away."

?????????????"???"

She said that the incident occurred when she was riding the number 12 bus in the south of Xi'an at 6pm.

The 55-year-old said she took a phone call when suddenly the man punched her in the neck.

55????????????????????????????

She said: 'I turned around and asked him why he hit me. He said I hit you because you were making a loud noise.'

?????"?????????????????????????????"

The bus driver surnamed Chen told reporters: 'Suddenly two passengers ran at the woman and I quickly pulled over to stop the bus and I said do not fight.'

?????????????????"?????????????????????????????"

He continued: 'A woman pulled at her hair and told me not to drive. I called the police.'

?????"?????????????????????????"

He then opened the door and called the police while the man and the other woman got off.

????????????????????

Yang told reporters: 'I am innocent and I did not provoke him. I am 55 years old. Just asked me to speak quieter and I would have listened.'

She has since reported the incident to police.

????????

CCTV footage from the incident shows a woman and a man hitting and attacking Yang.

????????????????

Yang says the woman also slapped her in the face.

????????????

People have been commenting on the story on social media site Weibo.

????????????

One user wrote: 'the man should be made bald for punishment.'
