

《北京今年拟组建环保警察队伍以治霾》

导读:据悉,今年北京市将出台包括“组建环保警察队伍”在内的十大举措以改善空气质量。

A new team of environmental police will try to reduce hazardous levels of toxic smog engulfing Beijing, the city's acting mayor has said.

??

The police will look for local sources of air pollution, including open-air barbeques and dusty roads, Cai Qi says, according to Xinhua state news agency.

??

The mayor has also promised to reduce coal consumption by 30% this year.

????????????????????30%?

Many residents have been forced to stay in their homes for days at a time to avoid breathing the poisonous air.
