The video starts as one of the boys, dressed in a school blazer, tries to rugby tackle the other and lunges at his

waist.

The other boy, dressed in a grey hoodie, then retaliates by kneeing the other boy's face and lifting his blazer over his head.

??

The youngster in the hoodie then unleashes a powerful kick directly to the face of his opponent as a grunt of pain can be heard.

??

A voice can be heard over the footage, saying: 'That was a smashing scrap.'
