

《奇妙的缘分：男子献血竟救了自己未来妻子！》

导读:重庆一女子九年前因失血过多而入院，大量输血后才保住一命，如今九年后，她却发现当初献血救了自己命的人竟然是自己男朋友。

In an extraordinary case of blood donation, the fates of the donor and beneficiary became tied together for life, reported Chongqing Morning Post.

??

Nine years ago, Lin Xiaofen went to a hospital in Taipei after getting very sick. She fell into coma and suffered massive blood loss. She was only able to make a narrow escape after receiving a large blood transfusion.

??

Recently, Lin shared the experience with her boyfriend Lian Zhicheng. The man, who is a frequent blood donor, jokingly asked: "Maybe it is my blood?"

??"????????"

Curiously, Lin checked the records of the hospital. To her surprise, the donor who saved her nine years ago was actually her boyfriend.

??

Lian said humorously: "Go donate your blood now, because you have a chance to bring a wife home."

?????????"????????????????????"
