Asda said courgette stocks were still low after a UK shortage last month.

????????????????????????????????

Customers have posted photographs on social media sites of empty lettuce shelves in Tesco stores, alongside signs asking them to limit lettuce purchases.

????????????????????????????????????????????????????????

One notice read: "Due to continued weather problems in Spain there is a shortage of iceberg lettuce.

???????“????????????????????????”

"To protect the availability to all our customers, we are limiting bulk purchases to three per person. We apologise for any inconvenience caused."

“????????????????????????3????????????????????”

A spokesman for the Prime Minister, Theresa May, said the government knew there was a "situation", and that the Department for Environment, Food and Rural Affairs (Defra) was "monitoring" it.
