

A heart-shaped cake with a vibrant red top layer and a thick, brown, crumbly base. The cake is set against a dark blue background. To the right of the cake is a single red rose, and to the left is a single red rose petal. The entire scene is reflected on the surface below the cake. A faint watermark 'www.shicai.cn' is visible in the background.

No. 9: A Card

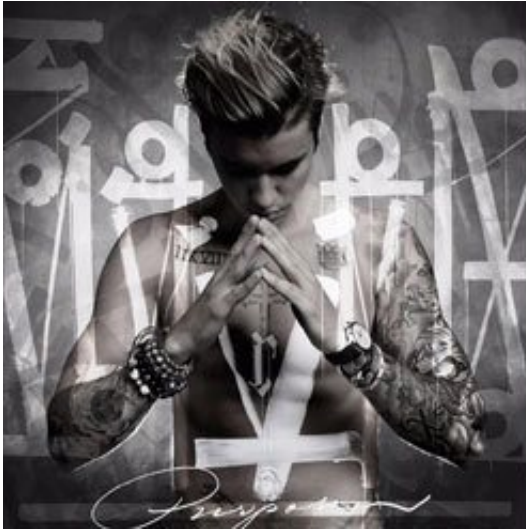

9???????

A card is the perfect way to say you remembered this special day without going overboard or spending too much (remember, you want to save some tricks for their birthday and Christmas as well!). If you want to make it extra-special, make the card yourself. A homemade card will be the way to her heart.
