

《欺人太甚！不肯给“小费”，中国公民被越南人暴打！》

导读:近日一名中国公民在通过中越边境时，由于未给“小费”竟遭到了越南边防军官的殴打。

A Chinese man's pre-wedding photo-shoot turned into a nightmare after as he was beaten by Vietnamese frontier officers, the Beijing Times is reporting.

??

The paper says 28-year-old Xie Feng (alias) was left with soft tissue damage and four broken ribs on February 7, as he was returning to China through the port in Mong Cai with his mother and fiancée, after a trip to Vietnam to shoot wedding photos.

Ren Lili (alias), Xie Feng's fiancée, told Beijing Times that the three of them handed over 330 yuan (about 48 USD) in total to frontier inspection staff and a security guard, as they entered Mong Cai port on January 25.

Ren also made contact with the Chinese Embassy in Vietnam and called the police during the incident.

????????????????????????????????

The China Embassy in Vietnam told Beijing Times that they had received a call about the incident at the time it happened, and lodged solemn representations with Vietnam's Bureau of Consular Affairs, Beijing Times reported.

??

The Embassy said the incident was "shocking" and they were "indignant"; they said they had asked the Vietnam side to investigate the case thoroughly and severely punish those who were involved in the attack in accordance with the law, according to Beijing Times.
