

《女子提供拥抱服务——各种姿势都有，1小时赚80美元》

导读:美国37岁女子珍妮特为年龄介于40到70岁的顾客提供相拥、牵手服务。每周收入可达1600美元，生意十分火热。

A woman who describes herself as 'not a touchy feely person' has become a full-time cuddler – and now earns \$80 an hour for giving hugs.

??????“??????”????????——????????80???

Janet Trevino, 37, from San Antonio, Texas, became a professional, part-time cuddler in August last year – going full-time in September, in response to demand.

37????????????8????????9????????

She now spends 13-20 hours a week cuddling men, aged between 40 and 70 and earns up to \$1600 a week.

????1320????4070????1600???

Janet, who has a partner called Carlos, had always been naturally supportive to those around her and, in her early 20s, even wanted to work as a missionary.

She completed her training in two days and set up a studio in her own home.

????????????????????

She used various different places to cuddle on, starting first with a floor mat, before introducing a sofa and a mattress, as she learned what worked best.

??

Now Janet works as a cuddler full time and has cuddled people since she started, earning over \$17,000.
