

《终于可以清静了：北京跳广场舞将被处罚！》

导读:最近北京出台了一项新规，跳广场舞如果被认定为扰乱治安，那么跳舞的人将被处罚，甚至被提起刑事指控。

Starting next month, square dancers in Beijing could risk legal repercussions if they are deemed to be disturbing the peace, Chinanews.com reported.

??

Beijing's newly revised regulation on the national fitness program stipulates that fitness activities should not disturb the public order, and violators will be subject to penalties or even criminal prosecution at the hands of public security departments.

??

With public square dancing becoming increasingly popular among Chinese citizens, and especially among senior citizens, disputes between dancers and residents have been on the rise, as the dancing is usually accompanied by loud music.

??

Places including Guangxi Zhuang Autonomous Region and the cities of Xi'an and Nanchong have already formulated regulations controlling fitness activities in public places. These regulations, however, do not designate specific departments to oversee square dancing.

??

Beijing's new regulation demonstrates the government's commitment to solving the problems caused by square dancing, and is a good example of resolving disputes through law, the report noted.
