

《总统难当，何况是川普：43%美国人对川普“强烈不满”！》

导读:据美国NBC新闻最近一次民调显示，已经执政一个多月的川普在美国人之间口碑分化非常严重，其中43%的美国人表示对川普强烈不满，但其他一些人群又对川普的行为表示赞赏。

Forty-three percent of Americans strongly disapprove of the job President Donald Trump is doing, according to the latest public opinion poll.

????????43%????????????????????

An NBC News/SurveyMonkey poll shows a majority, 54 percent, generally disapprove of the new American president, while 25 percent strongly approve of the job he's done and 18 percent somewhat approve of POTUS' moves.

?NBC News?SurveyMonkey????????????????????54%????????????????25%????????????18%????????????POTUS?“pr
esident of the United Sates?

How Americans perceive Trump depends on their race, gender and party ID, the survey also shows.

????????????????????????????????

Trump, not surprisingly, performs best among white men.

????????????????????????????

It's the only group where a majority support him.

????????????????????????????

Fifty-eight percent of white men approve of President Trump, while 41 percent disapprove of him.

58%????????????41%??????

After white men, white women and Latino men were the most supportive of Trump.

????????????????????????????

Forty-four percent of white women said they approved of the job Trump has done thus far and 42 percent of Latino men said the same thing.

44%????????????????????????42%????????????

Trump performs worst among black women, with 81 percent saying they disapprove of the job the president is doing and just 14 percent saying they approve.

????????????81%????????????????????????14%?

Hispanic women are also not keen on the new president, with 75 percent disapproving of his job performance and 21 percent approving of it.

????????????75%????????????21%?

While race and gender play a role in how American perceive Trump, the biggest indicator seems to be party ideology, as Trump scores high among Republicans and poorly when Democrats are surveyed.

??

Eighty-eight percent of Republicans said they approved of the job President Trump has done, while 10 percent of GOP voters said they disapproved.

88%??10%????GOP?“Grand Old Party”????????????

On the flip side, 8 percent of Democrats approved of Trump, while 91 percent disapproved.

????????????????8%????????91%?

Independents and Americans under the age of 30 were more likely to view Trump like the Democrats, with 33 percent of independents approving of the Republican and 66 percent disapproving of him.

????30????????????????33%????????66%?

Among young voters, 32 percent approve of President Trump, while 67 percent disapprove of the president, who's been in office for a little over a month.
