The story tells the life of an intelligent and kind-hearted woman who becomes a concubine of the inner court. Driven by her selfless love for the people, she goes on to do great things for the country. It seems to be the standard palace politics that we’ve all heard before but also the kind that can be so addictively good.

The series is brought to us by H&R Century Pictures which means that a number of their homegrown talents are part of the cast, which also includes Ren Jia Lun (Legend of Chusen), Wan Qian, Shu Chang, Yu Xiao Wei, Qin Jun Jie and Mao Zi Jun.
