《你敢吗！一男子在卫生纸上写辞职信 预言公司未来会进入“垃圾桶》

导读:你会怎么辞掉你讨厌的工作？美国有一名男子决定把辞职信写在卫生纸上，向公司表达不满。

A FED-UP employee decided to get creative when handing in his notice – by writing his resignation letter on toilet paper.

??????????????????——?????????????

The note, dated February 24, makes the man’s feelings very clear.

??????24???????????????

It reads: “I have chosen this type of paper for mytwo week resignation as a symbol of how I feel this company has treated me, and ironically how it is disposed of is where I feel this company is going.”

???????“??”

It is unknown where in the world the man is from, but an image of the letter was posted onReddit by his wife.

??????????????????????????????????Reddit????

The man behind the letter is unknown but his unique way of quitting his job has attracted a lot of comments from fellow Reddit users.

??????????????????????????????????Reddit????????

One user in particular, HereComesHR, speculated how his bosses might respond?

??????“??HR”????????????????????????

Another said: “I don’t think he’ll have to stay those last two weeks.”

?????“??????????????????”
