

《奇闻：亲爹为掰直同性恋女儿竟将其强奸！》

导读:据英国媒体报道，英国一男子为了使自己的同性恋女儿相信与男人发生性关系感觉会更好竟然对其实施强奸。目前，该男子已被判监禁21年。

A father who raped his gay daughter to prove "sex was better with men" has been jailed for 21 years.

The attack on the 16-year-old happened after she had confided to him that she was struggling with her identity – he responded with "uncontrolled" anger.

??16??——?????"????????"??????

The 54-year-old has not been named to protect the victim's identity and Warwick Crown Court heard that two other of his daughters have suffered abuse from him across two decades.

????????????????54??20????????????????????

"As a 16-year-old girl she realised she was gay and struggling with her identity as many people do at that age, she decided to tell you," Judge Lockhart said, Pink News reported.

????????????????????“????16??”

“You reacted by showing real and uncontrolled anger, and you decided to rape her to show her why it would be better to have sex with men than women. Her evidence made harrowing listening.”

“??”

The judge added that the crime involved “degradation and humiliation” for the victim.

????????????????????“????????”?

“The offence demonstrated your hostility towards her as a lesbian,” the judge added.
