

## 《耐克新品：穆斯林盖头》

导读:穆斯林女性运动员，由于宗教信仰需要带盖头。但性能不佳，怎么破？

The head cover, called the "Nike Pro Hijab," boasts a single-layer pull-on design made from lightweight polyester in dark, neutral colors. The fabric's tiny holes will make it breathable while remaining opaque, a requirement for hijab-wearing women.

????—??

Nike said it began developing the hijab after some Muslim athletes complained about wearing a traditional head scarf during competition.

????????????????????????????????????

The design process took 13 months, and the final product will be available for sale in the company's Spring 2018 season.

??????13??????????2018??????

Nike said the hijab is already being worn by Emirati figure skater Zahra Lari. "I was thrilled and a bit emotional to see Nike prototyping a Hijab," Lari said in a statement. "I've tried so many different hijabs for performance, and ...
