导读:随着《哈利·波特》风靡全球，那梦幻的魔法以及宏大的学校让人们向往。而英国赫斯特蒙索城堡计划对外开放三天，让“麻瓜”们过一把魔法师的瘾。

A 'real-life Hogwarts School of Witchcraft and Wizardry' is set to open in the UK where students can learn spells and 'encounter magical creatures'. Herstmonceux Castle in East Sussex has organised the magical three day event, which is aiming to give muggles the chance to experience what it would be like to be a witch or wizard.

Students can enrol from 11th - 13th August 2017 when the 15th century castle opens its doors to the public. The three-day experience aims to recreate the magical school from Harry Potter as closely as possible, so students will be sorted into one of four houses before competing against each other.

They will also get to take part in lessons to learn spells, potions and other kinds of witchcraft, and even have the chance to 'encounter magical creatures' (unfortunately just actors in costumes). All meals are included and there's a big banquet at the end of the stay to celebrate the house that emerges as the winner of three days of competition.
