

《女子在男友不肯当众亲吻自己的下一秒转头吻隔壁陌生男子》

导读:不少运动比赛在中场休息时间，都会与观众大玩，让观众席上的情侣当众在镜头下亲吻。然而，在美国一场篮球赛的“Kiss Cam”环节中，一名女子被男友拒绝亲吻时，竟把头转向隔壁的陌生人，与陌生男子亲嘴，气得男友发火离席，而其他观众则像看了场闹剧，忍不住大笑了起来。

A snubbed girlfriend grabbed the guy next to her for a quick smooch when her boyfriend ignored her during a stadium "kiss-cam" stunt.

As the camera swooped over the crowd it focused in on one moody boyfriend and his girlfriend.

But after being rejected by her other half, who was too busy on his phone, the woman then sighs and locks lips with the willing guy next to her instead during the New York Knicks' game against the Houston Rockets on Thursday.

Her boyfriend appeared to be fuming when he finally looked up from his mobile phone and caught her smooching a stranger.

Not only was it witnessed by thousands throughout the stadium, who cheered them on, but it was also captured on film by British student Hugo Davies.

The 19-year-old admitted he definitely wasn't expecting it.

He said: "At first people were shouting and laughing because he was ignoring her but when she kissed the other guy everyone went crazy cheering and laughing."

"Everyone was talking about it when they left the building, some people even went and high-fived the guy she kissed.

"I don't think it was staged because the guy looked genuinely angry and embarrassed after, he was blushing dark red for the rest of the game and didn't talk to her afterwards."

However, the footage is said to be fake as the couple in question were thought to be playing a prank on the poor cameraman.
