

《干啥啥不成：川普医改法案惨遭撤回，总统这回衰了！》

导读:据外媒报道，美国总统特朗普酝酿已久的医改法案于周五未获国会通过。

US President Donald Trump has blamed Democrats for the failure of his healthcare bill.

????????????????????

The bill was withdrawn on Friday because it did not have enough support to pass in Congress.

????????????????

The last-minute retraction is seen as a huge blow to the president.

????????????

Repealing and replacing the programme known as Obamacare was one of his major election pledges.

????????????

House Speaker Paul Ryan said he and Mr Trump agreed to withdraw the vote, after it became apparent it would not get the minimum of 215 Republican votes needed.

????????215????????????

Republicans currently have a majority in both the House and the Senate.

????????????????

However, multiple reports suggested that between 28 and 35 Republicans were opposed to President Trump's draft American Health Care Act.

Some were said to be unhappy that the bill cut health coverage too severely, while others felt the changes did not go far enough.

????????????????????????????????

The bill also appeared unpopular with the public - in one recent poll, just 17% approved of it.

However, he refrained from criticising Mr Ryan, whose job as house speaker involves rallying support for controversial bills.

????????????????????????????

Mr Trump said: "I like Speaker Ryan. I think Paul really worked hard."

How disastrous is this for Trump? Analysis by Anthony Zurcher, North America reporter

???????.????????????????????

How bad was Friday's defeat of the American Health Care Act in the House of Representatives? Bad. Very bad.

????????????????????

The American Health Care Act was the first major piece of legislation pushed by the White House and the Republican-controlled Congress, a key political test early in the president's term.

??

For Republicans Friday wasn't just bad. It was a disaster.
