

导读:由于历史原因和西方宣传,部分国人一直都有着所谓的“白人优越”观念,但是,现在是时候醒醒了,我们中华民族照样很伟大!

[illegible][illegible]

For example, the tendency to romanticize the notion of a white male partner while obscuring the dark side of Western behaviors - selfishness, violence, and the penchant to use other people as they've done throughout their history.

????????????????????????????????????????????????????????????

Let's examine the manufacturing of the chivalrous "white gentleman" image - an enduring myth that survives in our minds despite reality contradicting this false idea in the news every week.

????????????"????"????????????????????????????????????????????

Allowing Western men to sexually exploit Chinese women is only one consequence of believing the myths about them. The unfettered Western superiority conditions Chinese people to see whites as superior in all respects, to defer to them and blindly trust them. It constructs invisible chains in the minds, paving the way for many kinds of abuse.

????????????????????????????????????????????????????????????????????????????????????????????????

While most Chinese are patriotic, it is our unwitting naivety that is causing China immense harm. Actively resisting "white worship" requires both awareness at the individual level and cultural leadership by the government.
