Tangerang police chief Senior Commander Riad told The Jakarta Post his officers seized the stash in south Tangerang on February 2.

????????????????????22????????????????

Police wore masks to protect them from the fumes but watching civilians were left unprotected.

????????????????????????????

The smoke spread from the yard to surrounding residents' houses.

????????????????????

One resident named Deden said: 'I got a headache because I wasn't wearing a mask.'

????????????"????????????"

A journalist reported having to 'sit down and have a cup of tea' to deal with the high.
