

《韩国货船在南大西洋离奇失踪》

导读:消失的船只只是一艘超大型载沙船，事发时船上载有24人。最终获救的两人是被辅助搜救的商业船发现从而得救，剩余船员目前仍然下落不明。

A huge South Korean cargo ship which had 24 people on board has gone missing in the South Atlantic.

????24????????????????

Two sailors found on a life raft were rescued, AFP reported, citing a Uruguayan navy spokesman.

????????????????????????????????????

On Friday, a crew member sent a text saying the 312m-long (1024ft) Stellar Daisy freighter was taking on water.

????????????????312??1024????????????

The Uruguayan navy alerted merchant ships in the area, which began a search. A navy spokesman said they had reported a strong smell of fuel.

????????????????????????????????????

The two people rescued had been found by commercial ships aiding the search, Yonhap news agency said.

????????????????????

"A search operation is continuing for the 22 people," a South Korean foreign ministry official told Reuters.

????????????????"??22????????????"

South Korea also requested assistance in the search from Brazil and Uruguay, the official said.
