"Fearless Girl" was installed across from the iconic Charging Bull sculpture by State Street Global Advisors to advocate for getting more women on corporate boards. After an extension of the initial permit, she had been scheduled to stay until April 2.

Since she appeared, more than 28,000 people have signed a petition to keep her there. Nira Desai, who started the petition, called the extension "really incredible news." In an email to CNNMoney, she said she still plans on fighting to make "Fearless Girl" permanent.
