Following Mobike's cash-reward plan, launched in late March, ofo announced on April 16 that it would offer its own rewards. Both companies are offering random gifts ranging from one to thousands of yuan per ride, provided the ride lasts more than 10 minutes and covers a distance of at least 500 meters. In particular, ofo offers a maximum of 5,000 yuan for reward.

Mobike users hoping to cash in need to find and unlock bikes marked with hongbao, or red, cash-filled envelopes. Ofo users, meanwhile, can ride any bike within particular regions tagged as offering hongbao. Ofo also noted that higher rewards are more likely to be given to users who park their bikes in city-designated areas. As for Mobike, the
