

《七岁叙利亚小女生将出版回忆录：我的愿望是世界和平》

导读:这位小姑娘，你已经成功引起《哈利波特》作者J.K罗琳的注意了…

Bana Alabed, the 7-year-old girl whose tweets from besieged Aleppo drew the world's attention to the human toll of the Syria conflict, will publish her memoir this fall.

????????????????(Bana Alabed)??

In "Dear World," to be published by Simon & Schuster, Bana will describe her experiences in Syria and how she and her family are adapting to their new life in Turkey.

????????????????????Simon & Schuster????????????????????????????????????

She took to Twitter this week to announce the news to her 369,000 followers: "I am happy to announce my book will be published by Simon & Schuster. The world must end all the wars now in every part of the world."

????????369?000????????????"????????????????????????????????"

Her mother Fatemah, an English teacher who helps to write Bana's tweets, told CNN that her daughter started writing the book this week. "By telling her story, I hope people will understand kids are the ones most affected by wars," she said.

??????(Fatimah)?????????????????????CNN????????????? ???"????????????????????????????"

Bana began tweeting from her war-torn city in September 2016 and soon gathered a global following.

???2016?9????????????????????????????????

People are dying like flies here I don't know what is next, she wrote in an early message. "The bombs are just like falling rain.

"??"

Tweeting several times a day, Bana told the world about the frequent air raids, the death of her friends and her dreams for the future, and shared photos of bombed buildings and graphic images of those killed.

??

We could not go out, Fatemah later told CNN. "Because of the bombs, I could not send [my children] to schools because it was so dangerous. So they lived their whole lives at home. They don't know anyone, just me and their dad."

"??????," ??????CNN?"??"

I watched Harry Potter movie, Fatemah wrote in November. "Bana would like to read the book."

????????????“????????????????????”

J.K. Rowling, the British author of the Harry Potter series, responded by sending Bana eBooks of the entire series.

???????J.K????????????????????????????????

She continues to use the social media platform that made her famous to call for an end to all wars and to urge US President Donald Trump to take action to save the children of Syria.

??

The only day God will be happy is when we end all the wars in this world, she wrote on April 12. "No more wars. PEACE."

"????????????????????" 4?12????????"????????"
