

《反恐得靠野猪？伊斯兰国恐怖分子被野猪灭团》

Three ISIS militants were mauled to death by a herd of wild boar moments after committing a massacre.

ISIS(Islamic State of Iraq and al Shams????ISIS)????????????????????????????????

Five other terrorists were injured in the rampage by the beasts who attacked them in southern Kirkuk.

??5????????????????????????????????

It is understood the boars went on a frenzied rampage near farmland in al-Rashad region, 53km south of Kirkuk.

????????????????????AL-Rashad??????????

Sheikh Anwar al-Assi, a local tribal chief, told The Times that the militants had hidden among some dense reeds.

????????Sheikh Anwar al-Assi??

"It is likely their movement disturbed a herd of wild pigs, which inhabit the area as well as the nearby cornfields," he said. "The area is dense with reeds, which are good for hiding in."

??

Sheikh al-Assi said it took place on Sunday moments after ISIS had killed 25 people in Hawija. Sheikh Anwar al-Assi.The pigs were later punished.

"????????????25????????????????????????????"

ISIS have taken control of areas in southern Kirkuk where thousands of civilians have had to flee.Some have even been killed for attempting to flee the province to refugee camps. Officials claim they are urging the government to do more in terms of security efforts to free ISIS-held land.

??

The government has launched a campaign to regain Mosul, the largest stronghold of ISIS in Iraq.
