

《专家呼吁增设节日“中华母亲节”，你怎么看？》

导读:近日在山东某论坛上，有学者建议增设“中华母亲节”为公共节日，引起公众关注。

Cultural experts have suggested setting up a Chinese equivalent of Mother's Day, during a forum in eastern China's Shandong province.

????????????????????????????????“??”?

Academics with the Chinese Academy of Mencius (CAM) proposed setting April 2 on the Chinese lunar calendar as "Chinese Mother's Day" at the forum that started Tuesday in Shandong's Zoucheng city, hometown of Mencius.

Mencius (372-289 BC) was a pupil of Confucius' grandson, and traveled his life teaching Confucianism. Both Mencius and Confucius are ancient Chinese philosophers.

??????372-289????????????????????????????????????

Mencius's mother is regarded as one of the four great mothers in ancient China, and is seen as a symbol of Chinese mothers, known for her kindness, simplicity, diligence and strong will.
