

《天猫联手故宫，“朕的心意”让皇家御膳的味道昨日重现！》

导读:在悠久多元的故宫文化中，美食文化独到而神秘。养生专家乾隆帝喝八珍粥养脾，后宫妃子们通过莲子芡实菱米粥米排除邪气……这些只在古装剧中为观众眼熟的皇家御膳，如今却通过互联网走进人们的生活。

Royal food from the Forbidden City is now available for purchase at Tmall, a major Chinese online marketplace, as a part of new steps for the Palace Museum to develop its cultural creative products.

??

A food tasting event was held at the Baoyun Building in the Palace Museum on Sunday. During the event, the museum announced that its flagship food store "Regard from the Emperor" is officially available online at Tmall, and a series of food made according to ancient recipes during the Qing Dynasty (1644-1911) are now on sale.

4?23??"?????"????????????????????????????????1644-1911????????????????????????????????

The food products are innovatively themed on the 24 Solar Terms, or the ancient classics. For example, a porridge powder made of lotus seed and ingredients from traditional Chinese medicine is inspired by the 24 Solar Terms. cookies were created based on the ancient book Hai Cuo Tu, which contains pictures of more than 300 types of deep sea creatures, as drawn by Qing Dynasty painter Nie Huang, along with a record of their biological habits.
