

《半岛局势愈加紧张，川普收不了场甩锅给中国！》

导读:随着美国军舰和潜艇开赴朝鲜半岛，该地区紧张局势逐渐有失控的倾向，而就在舆论纷纷讨论战争可能性的时候，川普突然表示会将半岛问题交由中国主席解决。

The US president told Reuters he would like to solve the crisis diplomatically but that it was "difficult" and a "major, major conflict" was possible.

??"??"??"????"??????

He also said it had been "very hard" for Kim Jong-un to take over North Korea at such a young age.

????????????????????????????"??"?

The UN Security Council is meeting to discuss North Korea on Friday.

????????????????????????????

US Secretary of State Rex Tillerson has said China has told the US it will impose sanctions on North Korea if it conducts further nuclear tests.

????????????????????????????????

In recent weeks the US has deployed a group of warships and a submarine to the region, angering Pyongyang, and has also moved parts of the controversial Thaad anti-missile system into South Korea.

??

Mr Trump said he wanted South Korea to pay for the \$1bn (775m pounds) system.

????????????????10????????7.75??????????

Earlier on Thursday, Mr Tillerson told Fox News that China has urged North Korea to refrain from carrying out more tests.

??

But he did not specify what measures the Chinese had said they would take if their exhortations were ignored.

??

Neither did Mr Tillerson detail when China made its threat. There has been no immediate confirmation from Beijing.

??

Mr Tillerson said that it was significant North Korea had staged major public commemorations in recent days without conducting a nuclear test or test-firing an intercontinental ballistic missile.

??

Earlier, Russia's Vladimir Putin called for the resumption of talks with North Korea as tensions on the peninsula continue to escalate.

??

Speaking in Moscow, where he met Japanese Prime Minister Shinzo Abe, he urged those involved to "refrain from using belligerent rhetoric".
