

《青春如诗般美丽 看习大大对大好青年说了啥》

导读:五四青年节，一年一度大好青年的节日，来看看习大大对我们有哪些忠告吧！

President Xi Jinping visited China University of Political Science and Law in Beijing ahead of Youth Day, which is marked on Thursday. He urged the country's youth to study hard and absorb knowledge like sponge.

??

Xi has attached great importance to the development of Chinese youth. Now, let's have a look at what he has said to them since taking office.

??

1.Be curious

1. ??????

Youth is a crucial time to train a person's thinking and abilities, and young people should maintain their sensitivity

to new things and explore new practices and truths in a daring way.

??

Xi Jinping, during a visit to China University of Political Science and Law in Beijing on May 3, 2017

2.Devotion to country

2. ?????????

The youth should have a profound understanding of the history and progress of the Chinese people's unremitting endeavors in modern times. They should devote themselves to the motherland, the people and the nation.

3.Long road towards dream

????????????

The road of life for the youth is long. Along the way, there is flat journey as well as high mountains, slow flow as well as rapids, sunshine as well as rains and winds, joy as well as sorrow.

??

only by nurturing sunshine in our hearts and having power under our feet can we strive for our dream unswervingly and live up to the expectations placed on us by the era.

4.Responsibility and Loyalty

4. ????????

Chinese youth should bear the responsibility for the country's future, the nation's fate and people's welfare. Youth organizations should unite young people better and firmly follow the Party.

??

Xi Jinping, a letter to the congress of the All-China Youth Federation and the All -China Students' Federation on July 24, 2015

5.Don't burn the night oil

5. ???????

When I was young, I would get seriously sick once almost every month. Why? Because I often burnt the midnight oil to complete the work. Then I realized that it was not the right way and was not sustainable. So I cleared my mind-while I was passionate inside. I stayed calm outside.

????2014?5?4?????????

7.Down-to-earth approach

7. ????????

College students should be ambitious as well as down-to-earth in their job hunts. They should not shy away from working at the grassroots level and in tough places and they should show extraordinary performances in ordinary job situations.

??

Xi Jinping, talking with representatives at the China Tianjin Public Vocational Training Center on May 14, 2013

????2013?5?14????????????????????

8.Optimistic and tenacious

8. ??????????

Young people should be optimistic and tenacious when facing adversities. They should dare to dream, work assiduously to fulfill their dreams and contribute to the revitalization of the nation.
