# 《最萌警员！新西兰警察雇了一只豚鼠》

## Police in New Zealand have a new rodent recruit to help spread their safety messages - Elliot the guinea pig!

??????????????????????——?????Elliot!

The pet animal's been a hit since appearing on New Zealand Police's social media, posing in his own mini police cap.

????????????????????????????????????????????

The latest post features Elliot on the roadside, calling on people to drive safely.

??????????Elliot??????????????????

The four-year-old guinea pig is the pet of someone in the police media team.

??4????????????????????

New Zealand Police said: "[We] are always looking at new ways to communicate with the public and promote messaging as quickly and as efficiently as possible."

??????????????“????????????????????????????????”

It said Elliot spends a lot of his spare time grazing on grass, green vegetables and hay at home, and getting cuddles from his family.
