The hot topic of the online discussions has been whether lovers kissing each other on campus should be regarded as uncivilized and exposed. Judging from the comments on Sina Weibo, most users think it is not appropriate to hold couples showcasing their love on campus up to public ridicule. However, most people agreed that the school should fight smoking, littering or keeping a pet, which is forbidden on campus.

Ma said the school doesn't oppose students falling in love, but called it uncivilized to engage in intimate behavior such as kissing in public.
