

导读:这几日柯洁同人工智能阿尔法狗的围棋大战引发了众人的围观，让人纷纷感叹人工智能的力量，然而有一个人对此却不以为意，并且多次在公开场合怒怼阿尔法狗，他就是科技圈的大佬之一马云。

Jack Ma, the chairman and founder of Alibaba Group, speaks at the Expo in Guiyang, Guizhou Province, May 26, 2017.

2017?5?26????????????????????????????????

Jack Ma, the chairman and founder of China's e-commerce giant Alibaba Group, took down on Google's artificial intelligence AlphaGo at the Big Data Expo held in Guiyang, Guizhou Province, and urged Chinese enterprises not to develop such things as AlphaGo. Chinese Go player Ke Jie, current world No. 1, has admitted defeats in his three duels against computer program AlphaGo in Wuzhen, Zhejiang Province, which ignited heavy online discussions regarding the future of mankind and AI.

But Ma weighed in and said: “Before the Go-match this time, many thought that the human will prevail over the machine; later when the human lost, they thought machines will prevail over man. But speaking for myself, I don’t really care. I especially advised that many fellow enterprises should not develop such things as AlphaGo, it’s
