

《双语：FBI锁定绑架北大女硕士章莹颖黑车》

The FBI has found the black car a Chinese student was last seen getting into before she disappeared from the University of Illinois almost a month ago.

FBI??

Yingying Zhang was filmed on the Champaign campus surveillance cameras getting in to the passenger seat of the black Saturn Astra at 2pm on June 9 as she made her way to sign an apartment lease.

????????????????6?9????????????????????

The 26-year-old has not been seen or heard from since and family believe she was kidnapped.

???26????????????????

The FBI would not reveal where the car was found on Tuesday but said the discovery was the result of 'numerous leads'.

FBI????????????????????????????"????"????

They also refused to reveal whether they have identified the car's driver.

????????????????

Zhang, the daughter of a factory driver from Nanping, was studying agricultural sciences at the university. She hoped to land a professorship and earn enough money to send back home to her parents.

??

Her distraught father traveled to the US after her disappearance.

????????????????

Friends in China previously said there was no way the woman would have gotten into the car willingly had she known she would later be put in danger.

????????????????????????????????????

'She is good at protecting herself,' said one.

?????????“????????”

The surveillance footage shows her talking to the car's driver for several seconds before eventually hopping in.

????????????????????

What exactly lured her to it, or if she knew the driver, has not been established.

????????????????????

The FBI is now offering a \$40,000 reward for anyone with information about the case.

???FBI??40000????????????

The woman's family is desperate for her to return.

????????????

'I will wait for you,' he said. 'And we will definitely find you' her father said earlier this month.
