Wei achieved 648 points in this year's China's national college entrance examination held on June 7-8.

?????6???6?8????????????648?????

Wei and his mother have lived a hard life for many years. His father passed away early in 2005, and his mother had to take care of him, as he has been suffering from complete loss of muscle function in both legs and incontinence since he was born.

????????????????????2005??

His mother has always been there for him, helping him overcome his disability. In June 2008, Wei's mother carried
