

《中国上市公司最优秀的10位老板》

导读:《福布斯》中国公布了最新的首席执行官排名,李彦宏等人赫然在列。

Forbes China has released the ranking of the best chief executive officers of China's listed companies.

????????????????????CEO?????

The ranking covers people who have been in the role of CEO for three consecutive years in companies listed on the Shanghai and Shenzhen A-share markets, Hong Kong and other overseas markets.

????????????A????????????????????CEO?

Taking into account salaries and the performance and capitalization of companies, the list chose CEOs who have achieved good results, maintained high-speed growth and kept their company's share price ahead of the market.

????????????????????CEO????????????????????????????????

Forbes China said the rankings includes CEOs, presidents, general managers and bank presidents depending on the company structure.
