

《关于人权的对话应该是建设性的而不是侮辱性的》

GENEVA, Sept. 15 (Xinhua) -- China on Friday said countries should carry out constructive dialogue and cooperation in the field of human rights.

????9?15?????—??

Speaking at the 36th session of the UN human rights council, China said the international community should work "hand-in-hand" but avoid naming and shaming, exerting public pressure, politicization, and double standards when it comes to human rights issues.

????????????36??

Ma Zhaoxu, head of the Chinese Mission to UN at Geneva, said that when promoting human rights, all countries should firstly uphold the purposes and principles of the UN Charter.

??

That means countries should respect the sovereignty and territorial integrity of countries, and the path of development and social system independently chosen by their people, he said.
