

《重庆小女孩变网红：“五角星”辫子刷爆了朋友圈》

重庆一个妈妈给女儿扎了一款“五角星”辫子，结果惊艳了整个朋友圈。网友说，这个发型太“逆天”，估计99%的父母都不会。

A girl's hair caught the attention of her kindergarten class in Chongqing Municipality, after her mother braided it into the shape of a five-pointed star, cqnews.net reported.

?cqnews.net??

It took the mother over thirty minutes to twist her daughter's hair into ten thick lengths, which formed the shape of a five-pointed star.

??

Sporting such a unique hairstyle, the girl impressed her classmates and became popular at her kindergarten.

????????????????????????????????????

After a kindergartener posted a photograph of the girl's hairstyle online, a number of young parents praise the mother for her hairdressing skills.

????????????????????????????????????

"Such lovely braids can provide wonderful memories for a child, promote the mother-daughter bond and make the child more confident," said Chen Zhilin, member of the Chinese Psychological Society.
