

万年黑直长、大波浪、妹妹头是不是已经让你彻底看腻了？明星御用发型师劳里·希普斯预测了2018年的美发趋势，这些发型有没有让你心动？

New year, new 'do. It's time to forget every terrifyingly terrific hair trend of last year, because a brand new wave is coming - literally.

??

This past year has brought some incredible hair trends. There's been conventional celebrity favorites like the extra long locks of Kim Kardashian and Beyoncé. Of course, there's also been the over-the-top trends like rainbow roots and seasonal trends like Christmas tree hair.

?????????????????????..??

Thankfully, history is here to save us with some throwback styles. Celebrity hairstylist Laurie Heaps shared her predictions of what hair trends will be big in 2018, and you're going to love them.

[illegible]

1. Blunt '90s Bob

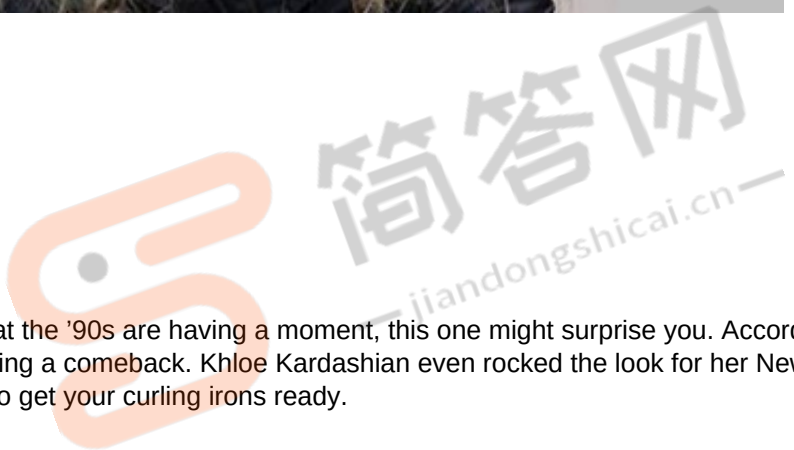

90?????????

This might be a throwback look, but it looks fresher than ever.

????????????????????

According to Heaps, "the basic foundation is a one length bob, no layering. This type of cut makes your hair look not only thicker but healthier."
