Queen Elizabeth II made the comment at Sandringham House in Norfolk after asking if a schoolgirl she was presenting with a Bible 'looked after' her little sister.

??

The girl's mother replied that it was 'the other way around', prompting the Queen to say: 'It's like that with Charlotte and George.'

??

Her comment echoes a reported remark by the Duchess of Cambridge who claimed in March last year that her

daughter was 'the one in charge'.
