

## 《冬奥会获奖选手拿到的奖品是吉祥物？那奖牌哪去了？》

观看平昌冬奥会的你有没有发现，赛后获奖选手站在领奖台上，会领到一个毛绒玩具吉祥物，而不是立刻拿到奖牌和鲜花？他们的奖牌难道包邮寄回家了吗？

Eagle-eyed viewers watching the 2018 Winter Olympics have spotted that athletes are no longer being presented with flowers and medals after competing, but a little stuffed animal when they step onto the podium.

??

It's left many asking what happened to the normal Olympic podium protocol, and why are athletes being given a small toy instead?

??

Firstly, the small toy is named Soohorang, a white tiger that represents the 2018 Olympic Games in Pyeongchang. The tiger is an important figure in Korean culture, long considered to be their guardian animal, and a regular tiger was used as the mascot of the 1988 Seoul Summer Olympics.
