

《清华大学与麻省理工学院寻求深化合作》

中国著名的清华大学最近接待了美国麻省理工学院的一个执行委员会。两所主要教育机构的负责人就发展战略和扩大合作的方式举行了圆桌会议。

China's world-renowned Tsinghua University recently hosted an executive committee from the US' Massachusetts Institute of Technology. Officials from the two premier educational institutions held roundtable discussions on development strategies and ways to expand cooperative efforts.

??

Both sides contemplated ways to deepen collaboration in university development and personnel training.

????????????????????????????

Qiu Yong, principal of the Tsinghua University hoped both sides would further correspond in subjects built on past success.

????????????????????????????

"We hope to better understand China's innovation ecosystem, Chinese universities' innovation, and
