

《玩滑翔时飞行员忘了给固定安全带 这是一种怎样的体验？》

对于第一次体验悬挂式滑翔翼的人来说，这绝对是一种非常新奇和刺激的体验。如果带你一起飞的飞行员忘了把你系在滑翔翼上，那这种体验就只剩下惊吓了。

A man who went hang gliding for the first time had to cling onto a metal bar for more than two minutes when his pilot forgot to hook him onto the glider, heart-stopping footage has shown.

??

The terrifying clip from Chris Gursky's first day on holiday in Switzerland has been shared by the YouTuber - after the fun activity turned into a 'near death experience.'

Despite his terrifying ordeal, Chris praised the pilot and even said he'd try hang gliding again.

????????????????????????????????

He said: 'While the pilot made a critical error in our pre-flight set up by not attaching me to the glider, he did all he could to get me down to the ground as quickly as possible while grabbing onto my harness and flying with one hand.'
