

《马云不是大资本家，而是共产党员》

Beijing (CNN Business) — China's most famous entrepreneur and billionaire has been outed as a card-carrying communist.

CNN????? ???????????????????

Jack Ma, founder and executive chairman of Chinese e-commerce juggernaut Alibaba (BABA), with a net worth of more than \$30 billion, was identified Monday as a Communist Party member by the People's Daily, the ruling party's official newspaper.

[illegible]

The 54-year-old was being honored by the Chinese government as one of 100 people who have made "outstanding contributions" to China's economic transformation in the past four decades.

54??????????"????40?????????"????

Other Chinese tech industry titans on the People's Daily list were Tencent (TCEHY) CEO Pony Ma and Baidu (BIDU) chief Robin Li. Both were described as people "without political party affiliations."

????????????????????????????????????CEO????????????????????“????”?
