

《梦想无止境!82岁老奶奶迪拜高空实现跳伞梦》

近日，一位来自南非的82岁老奶奶远赴阿联酋迪拜，从位于迪拜上空3960多米的飞机上一跃而下，勇敢地实现了她的跳伞梦。

Last week, an 82-year-old named Hilde ticked off the last thing on her bucket list: skydiving in Dubai.

???82??

According to Britain's Daily Mail, the South African jumped out of a plane 13,000 feet above the city accompanied by a professional skydiver, and landed safely.

??13000????????????????????

Hilde had visited the United Arab Emirates several times before to see her family. Having seen other people skydive, she was inspired to finally give it a go, as it was something she always wanted to try.

??

"The highlight for me was just being able to sail along, looking at the Palm from above. It was wonderful," Hilde said, referring to Dubai's iconic palm-shaped artificial island.

????????????????80????“???”????????“????????????????????”
