# 《“船到桥头自然直”用英语怎么说？》

我的小侄女很喜爱动物，而且做事很认真。最近她宣布，长大后要当兽医! 我们都觉得这个职业蛮适合她的，不过她父母并不打算现在就开始为她成为兽医做任何投资和计划，因为孩子毕竟还小，很可能以后改主意!
她父母的这种做法让我想到一个习惯用语，那就是:

Cross that bridge when one comes to it ??????“???????”??????“?????????”?“???????”??????????????They don't want to start thinking about how to finance their daughter's veterinarian training yet. They prefer to cross that bridge when they come to it. ????????????????????????????????????????????????????????????????????????????????:

"Carrie is determined to move to New York City next fall. At the moment, she doesn't know what she's going to do for a job once she gets there. Still, she's not worried. She says that she will CROSS THAT BRIDGE WHEN SHE COMES TO IT. The way she figures it, she'll be able to find work after she gets settled."

????????[Carrie????????????????????????????????????????????????????????????????????]

??????????????????Carrie????????????????????????????????????They don't have to cross that bridge when they come to it. ??????????????????????

????????????????????????????????????????

"So far, the company presidents have agreed that they'll sign the contract with Mexico. Beyond that, they haven't really decided what they'll do next. The reality is that they'll deal with the situation when it happens. They're CROSSING THAT BRIDGE WHEN THEY COME TO IT."

??????[????????????????????????????????????????????????????????????????????????????????]

Cross the bridge when one comes to it ????????????Wing it. Wing it???“?????”?“????”????
